DLA PIPER LLP (US) FOR ALLOWANCE OF COMPENSATION FOR SERVICES
RENDERED AND REIMBURSEMENT OF EXPENSES INCURRED AS COUNSEL
TO THE DEBTORS AND DEBTORS IN POSSESSION FOR THE INTERIM PERIOD
FROM SEPTEMBER 1, 2018 THROUGH FEBRUARY 13, 2019 AND THE FINAL
PERIOD FROM MARCH 6, 2018 THROUGH FEBRUARY 13, 2019**

Pursuant to sections 330 and 331 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), Rule 2016-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the Northern District of Texas (the “Local Rules”) and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 262] (the “Interim Compensation Order”), DLA Piper LLP (US) (“DLA Piper”) hereby files this *Combined Third Interim and Final Application of DLA Piper LLP (US) for Allowance of Compensation for Services Rendered and Reimbursement of Expenses Incurred as Counsel to the Debtors and Debtors in Possession for the Interim Period From September 1, 2018 Through February 13, 2019 and the Final Period From March 6, 2018 Through February 13, 2019* (the “Application”). By this Application, DLA Piper seeks entry of an order: (i) authorizing final allowance of \$7,883,280.75 as compensation for professional services rendered and \$422,834.48

¹ A list of the Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, is attached hereto as **Exhibit A**.

as actual and necessary expenses incurred by DLA Piper during the Final Compensation Period (the “Final Fees and Expenses”) and of \$2,617,359.25 as compensation for professional services rendered and \$181,066.16 as actual and necessary expenses incurred by DLA Piper during the Third Interim Compensation Period; (ii) authorizing the application of the Retainer (as defined herein) to the Final Fees and Expenses that remain unpaid; (iii) authorizing and directing the Distribution Trustee (as defined in this Court’s order confirming the Debtors’ chapter 11 plan at Docket No. 1361) to pay DLA Piper the Final Fees and Expenses, less the amount of DLA Piper’s Voluntary Reductions (as defined herein), the amount of the Retainer, and any amounts already paid to DLA Piper during these cases; and (iv) granting such other and further relief as this Court deems just and proper.

PRELIMINARY STATEMENT

1. These cases were difficult and took several unexpected turns, but due to the continuing efforts of the professionals representing the parties in interest, the Debtors’ estates were able to avoid the high costs of litigation and a contested confirmation hearing, thereby preserving value for the Debtors’ creditors. DLA Piper played a significant role in this process.

2. Specifically, to reach this outcome, DLA Piper professionals devoted many hours to the representation of the Debtors, and the fees and expenses requested reflect this dedication. DLA Piper submits that the hours expended and expenses incurred for the services rendered in these cases were reasonable and necessary to preserve the value of the estates for all stakeholders and to reach a resolution. Nevertheless, and at its discretion, DLA Piper voluntarily reduced its fees and expenses by \$322,957.50 (the “Voluntary Reductions”) over the course of these cases.

3. In light of the foregoing, and as more fully set forth below, DLA Piper respectfully requests that the Court approve this Application and authorize the payment of the fees and reimbursement of expenses sought herein on a final basis.

JURISDICTION

4. The Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

5. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The statutory bases for the relief requested herein are Bankruptcy Code sections 330 and 331, Bankruptcy Rule 2016, and Local Rule 2016-1.

BACKGROUND

Commencement of the Bankruptcy Cases

7. On March 6, 2018 (the “Petition Date”), each Debtor filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code, commencing these chapter 11 cases.

8. Throughout these cases, the Debtors operated their businesses and managed their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner was appointed in these cases.

9. On March 16, 2018, the Office of the United States Trustee for the Northern District of Texas (the “U.S. Trustee”) appointed the Official Committee of Unsecured Creditors (the “Committee”) in these chapter 11 cases. On March 29, 2018, the U.S. Trustee appointed former United States Bankruptcy Judge Melanie L. Cyganowski as the patient care ombudswoman (the “Patient Care Ombudswoman”).

Retention of DLA Piper

10. On March 20, 2018, the Debtors filed the *Application of the Debtors for an Order Authorizing the Employment and Retention of DLA Piper LLP (US) as Counsel Nunc Pro Tunc to the Petition Date* [Docket No. 133] (the “DLA Retention Application”) and the *Motion of the*

Debtors for Entry of an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Docket No. 136].

11. On April 18, 2018, the Court entered the *Order Granting Application of the Debtors for an Order Authorizing the Employment and Retention of DLA Piper LLP (US) as Counsel Nunc Pro Tunc to the Petition Date* [Docket No. 264] (the “Retention Order”). The Retention Order authorized DLA Piper to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

12. The Retention Order also authorized DLA Piper to hold in trust the balance of the prepetition retainer received from the Debtors (the “Retainer”). Under the Retention Order, DLA Piper issued a Final Prepetition Bill Amount (as defined in the Retention Order) to the Debtors for the actual fees, charges and disbursements incurred for the period prior to the Petition Date. After applying the Retainer to the Final Prepetition Bill Amount in accordance with the Retention Order, DLA Piper is holding the Retainer balance of \$57,473.87 and seeks authority from the Court to apply it to amounts outstanding.²

13. Also on April 18, 2018, the Court entered the Interim Compensation Order, which authorized, among other things, payment of up to 80% of professional fees and 100% of actual and necessary out-of-pocket expenses incurred by estate professionals on a monthly basis. In order to receive such monthly payments, estate professionals were required to file with the Court and serve on certain interested parties a monthly statement demonstrating the basis for such fees and expenses, in accordance with the Interim Compensation Order. Estate professionals were also

² Expenses for the Final Compensation Period include an invoice for searches of UCC financing statements in the amount of \$6,656.23. These searches were conducted only one day before the Petition Date (defined herein), and as such, DLA Piper inadvertently omitted this invoice from the Final Prepetition Bill Amount (as defined in the Retention Order).

authorized to seek payment of the 20% “holdback” of fees on a quarterly basis, by filing interim fee applications with the Court.

14. Pursuant to the Interim Compensation Order, DLA Piper filed with the Court the following monthly applications for the following periods, each of which is incorporated herein by reference: March 6, 2018 through March 31, 2018 [Docket No. 371] (the “First Monthly Fee Application”); April 1, 2018 through April 30, 2018 [Docket No. 508] (the “Second Monthly Fee Application”); May 1, 2018 through May 31, 2018 [Docket No. 732] (the “Third Monthly Fee Application,”), June 1, 2018 through June 30, 2018 [Docket No. 757] (the “Fourth Monthly Fee Application”), July 1, 2018 through July 31, 2018 [Docket No. 1025] (the “Fifth Monthly Fee Application”), August 1, 2018 through August 31, 2018 [Docket No. 1073] (the “Sixth Monthly Fee Application”) and September 1, 2018 through September 30, 2018 [Docket No. 1195] (the “Seventh Monthly Fee Application,” and together with the First, Second, Third, Fourth, Fifth and Sixth Monthly Fee Applications, the “Monthly Fee Applications”).

15. DLA Piper filed the *First Interim Application of DLA Piper LLP (US) for Allowance of Compensation for Services Rendered and for Reimbursement of Expenses as Counsel for the Debtors and Debtors-in-Possession for the Period From March 6, 2018 through May 31, 2018* [Docket No. 736] on July 16, 2018. DLA Piper filed the *Second Interim Application of DLA Piper LLP (US) for Allowance of Compensation for Services Rendered and for Reimbursement of Expenses as Counsel for the Debtors and Debtors-in-Possession for the Period From June 1, 2018 through August 31, 2018* [Docket No. 1087] (the “Second Interim Application”) on October 15, 2018.³ On December 14, 2018, the Court entered the *Order Approving First Interim Application*

³ The Second Interim Fee Application sought approval of \$2,238,612.00 in fees. However, in accordance with the invoices accompanying the relevant Monthly Fee Applications, the correct amount for approval should have been \$2,390,162.00 in fees.

of DLA Piper LLP (US) for Allowance of Compensation for Services Rendered and for Reimbursement of Expenses as Counsel for the Debtors and Debtors-in-Possession for the Period From March 6, 2018 through May 31, 2018 [Docket No. 1283] and the Order Approving Second Interim Application of DLA Piper LLP (US) for Allowance of Compensation for Services Rendered and for Reimbursement of Expenses as Counsel for the Debtors and Debtors-in-Possession for the Period From June 1, 2018 through August 31, 2018 [Docket No. 1284] (the “Second Interim Order”). Due to inadvertent error, the cover page, proposed order, and body of the Second Interim Application filed with the Court sought only \$2,238,612.00 in fees, when, as demonstrated in the invoices accompanying each of the relevant Monthly Fee Applications, as well as the tables accompanying the Second Interim Application, DLA Piper was actually entitled to (and should have sought approval of) \$2,390,162.00 in fees. Due to this inadvertent error, the amount approved for payment in the Second Interim Order was \$142,000.00 less than the amount of fees incurred by DLA Piper in rendering services to the Debtors during the period covered by the Second Interim Application. The amount of fees sought for the Final Compensation Period in this Application reflects the correct amount of fees incurred by DLA Piper in rendering services to the Debtors during the period covered by the Second Interim Application.

16. Since the Petition Date, DLA Piper has voluntarily reduced both its professional fees and expenses by \$22,957.50, in addition to the reduction of \$300,000 as part of the Confirmation Settlement (defined below) among the Debtors, the Committee, and OHI Asset RO, LLC (collectively with certain of its affiliates and subsidiaries, “Omega”).

17. The Certification of Thomas R. Califano, pursuant to Appendix F of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Northern District of Texas and the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses* by

Attorneys in Larger Chapter 11 Cases, effective November 1, 2013, is attached hereto as Exhibit B.

Reorganization and the Plan Confirmation Process

18. In the months leading up to the Petition Date, the Company engaged in comprehensive settlement negotiations with Omega and SC-GA 2018 Partners, LLC, as proposed plan sponsor (the “Plan Sponsor”), regarding a global settlement on a myriad of legal and financial issues confronting the Debtors. The parties sought to address, among other things, (a) potential recharacterization of the Debtors’ master leases with Omega as landlord as secured financing arrangements; (b) funding of chapter 11 cases through debtor-in-possession financing; (c) rent reductions during the pendency of the chapter 11 cases; and (d) agreement to support a transaction with the Plan Sponsor to provide a path toward confirmation of a chapter 11 plan.

19. In addition to an agreement for financing, these discussions culminated in two key agreements: (i) the Restructuring Support Agreement [Docket No. 331-3] (as amended, the “RSA”), approved by the Court in the *Order Authorizing the Debtors’ Assumption of the Restructuring Support Agreement entered on June 4, 2018* [Docket No. 506]; and (ii) the Amended Settlement Agreement [Docket No. 375-1] (as amended, the “9019 Agreement”), approved by the Court under the *Order (I) Approving Amended Settlement Agreement, and (II) Granting Related Relief entered on May 14, 2018* [Docket No. 375] (the “9019 Order”).

20. The RSA and the 9019 Agreement contemplated, among other things, (a) the transfer of 22 of the Company’s facilities to new operators designated by Omega (the “Transfer Portfolio”) and (b) the sale of the remainder of the Company’s facilities and its hospice unit (the “Restructuring Portfolio”) to the Plan Sponsor (or another higher or better bidder), implemented through a chapter 11 plan of reorganization.

21. On March 7, 2018, the Debtors filed their *Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code* [Docket No. 21], which was amended on May 25, 2018 [Docket No. 438] (the “Amended Plan”) and again on June 12, 2018 [Docket No. 550]. Also on March 7, 2018, the Debtors filed the *Disclosure Statement for the Debtors’ Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code* [Docket No. 22], which was amended on May 25, 2018 [Docket No. 436]. On June 1, 2018, the Court entered the *Order Approving (A) Disclosure Statement, (B) Determining Dates, Procedures, and Forms Applicable to Solicitation Process, (C) Establishing Vote Tabulation Procedures, and (D) Establishing Objection Deadline and Scheduling Plan Confirmation Hearing* [Docket No. 496].

22. The Debtors commenced solicitation of the Amended Plan on June 7, 2018 and filed, on June 12, 2018, the solicitation version of the Disclosure Statement [Docket No. 554]. However, on June 22, 2018, the Debtors filed the *Debtors’ Third Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code* [Docket No. 615] (hereinafter, as amended or modified, the “Plan”) and the *Disclosure Statement for the Debtors’ Third Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code* [Docket No. 617] (the “Amended Disclosure Statement”). On the same day, the Debtors commenced solicitation of the Plan and Amended Disclosure Statement.

23. The Debtors also sought approval of bid procedures for conducting an auction of the Restructuring Portfolio [Docket No. 110] (the “Bid Procedures”). On May 14, 2018, the Court entered the *Order Approving (A) Plan Funding Commitment and Stock Purchase Agreement with Plan Sponsor, (B) Stalking Horse Bid Protections, (C) Bidding and Auction Procedures Governing Submission and Consideration of Competing Plan Sponsorship Proposals, and (D) the Form and Manner of Notice Thereof* [Docket No. 377] (the “Bid Procedures Order”). The Debtors held an

at which the Plan Sponsor was the winning bidder.

24. On June 29, 2018, the Debtors filed the *Notice of Filing of Plan Supplement* [Docket No. 661] and the Court entered the *Supplemental Order to Order Approving (A) Disclosure Statement, (B) Determining Dates, Procedures, and Forms Applicable to Solicitation Process, (C) Establishing Vote Tabulation Procedures, and (D) Establishing Objection Deadline and Scheduling Plan Confirmation Hearing* [Docket No. 656] (the “Supplemental Disclosure Statement Order”) approving the Amended Disclosure Statement, the Re-solicitation Package (as defined in the Supplemental Disclosure Statement Order), and certain modifications to the Solicitation Procedures (as defined in the Supplemental Disclosure Statement Order).

25. Approximately two weeks before the scheduled confirmation hearing, Omega notified the Debtors that its interpretation of certain provisions of the Plan rendered the Plan infeasible. Based on Omega’s apparently new understanding the Plan, the Debtors filed an *Expedited Motion for an Order Interpreting Certain Provisions of the Third Amended Chapter 11 Plan* [Docket No. 680]. On July 9, 2018, the Court agreed with Omega’s interpretation of the Plan and found that the Debtors’ alternative proposal for paying other administrative and priority claims had an adverse effect on the treatment of the Omega Secured Claim (the “July 9 Ruling”). The Debtors filed a motion to reconsider the July 9 Ruling [Docket No. 786], seeking reconsideration of the July 9 Ruling solely with respect to whether the Debtors’ proposed modifications to the Plan would adversely impact Omega’s treatment under the Plan. On September 7, 2018, the Court made an oral ruling granting the Debtors’ motion to reconsider and holding that the July 9 Ruling would be without prejudice to the Debtors’ right to modify the Plan and have an evidentiary

hearing on whether the proposed modification satisfied the requirements of the Bankruptcy Code and Bankruptcy Rules.

26. When the Plan was not confirmed following the July 9 Ruling, Omega terminated the RSA and the Debtors were faced with the prospect of losing all benefits from the sale to the Plan Sponsor in accordance with the Bid Procedures, thereby jeopardizing their ongoing operations and reorganization efforts. To avoid this outcome, the Debtors recharacterized the leases comprising the Restructuring Portfolio and negotiated with the Plan Sponsor to convert the terms of its winning bid into an asset purchase agreement (the “APA”). As a result, the Debtors could sell the Restructuring Portfolio to the Plan Sponsor while completing the sale of the Transfer Portfolio to Omega and transitioning operations to new operators designated by Omega. Further, the Debtors established a value for the Transfer Portfolio of \$190 million, while obtaining Omega’s concession that such value must be credited against Omega’s prepetition secured claims.

27. On August 13, 2018, the Debtors filed their *Motion for an Order Authorizing and Approving (A) the Sale of Certain Assets Free and Clear of All Liens, Claims, Interests and Encumbrances, (B) Procedures to Assume and Assign Executory Contracts and Unexpired Leases, and (C) Related Relief* [Docket No. 828] (the “Sale Motion”), seeking approval of a sale to the Plan Sponsor pursuant to the APA. On October 4, 2018, the Court approved the Sale Motion [Docket No. 828].

28. The Debtors made certain modifications to the Plan and filed a *Motion to Approve Plan Modifications Under Bankruptcy Rule 3019* [Docket No. 1055] (the “3019 Motion”). These modifications actually improved Omega’s recovery under the Plan while giving the Debtors a credit for transferring the Transfer Portfolio to Omega’s designees. On November 27, 2018, the

Court entered the *Order Granting Debtors' Motion to Approve Plan Modifications Under Bankruptcy Rule 3019* [Docket No. 1214].

29. Ahead of confirmation, the Debtors filed a conformed version of the Plan, incorporating the revisions contemplated in the 3019 Motion, as well as certain amendments to the Plan Supplement [Docket No. 1315] and a *Memorandum of Law in Support of Confirmation of the Debtors' Modified Third Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code* [Docket No. 1316] on December 31, 2018.

30. Omega filed its *Limited Objection to Confirmation of Modified Plan* [Docket No. 1313] on December 31, 2018. With the hearing on confirmation of the Plan scheduled to begin one week later, the Debtors, the Committee, and Omega worked together to reach an agreement whereby general unsecured creditors would receive approximately \$7,400,000, less administrative and professional fees, to be distributed by a trust, Omega would withdraw its objection to confirmation of the Plan, and DLA Piper would reduce its fees by \$300,000. This agreement (the “Confirmation Settlement”) was presented to the Court at the hearing on confirmation on January 8, 2019.

COMPENSATION REQUESTED

31. DLA Piper seeks final allowance and payment of professional fees incurred during the Third Interim Compensation Period in the sum of \$2,617,359.25 and for the Final Compensation Period in the sum of \$7,883,280.15. All services for which compensation is requested by DLA Piper were performed for or on behalf of the Debtors.

32. During the Third Interim and Final Compensation Period, DLA Piper has received no payment and no promises for payment from any source for services rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or

understanding between DLA Piper and any other person, other than the partners of DLA Piper, for the sharing of compensation to be received for services rendered in these chapter 11 cases.

33. The monthly invoices (the “Invoices”) for the Third Interim Compensation Period are attached hereto as Exhibit C. The Invoices contain daily time logs describing the time spent by each attorney and paraprofessional for the months within the Third Interim Compensation Period. Invoices for each month from March 2018 through September 2018 were attached as exhibits to each of the respective Monthly Fee Applications.

34. The hourly rates set forth in the Monthly Fee Applications and the Invoices are those customarily charged by DLA Piper for similar legal services. DLA Piper’s fees for services rendered by lawyers, paralegals and other professionals are customary and usual in the legal community in which DLA Piper practices. Information on DLA Piper’s customary and comparable compensation is attached hereto in the *Summary of Combined Third Interim and Final Application of DLA Piper LLP (US) for Allowance of Compensation for Services Rendered and Reimbursement of Expenses Incurred as Counsel to the Debtors and Debtors in Possession for the Interim Period From September 1, 2018 Through February 13, 2019 and the Final Period From March 6, 2018 Through February 13, 2019* (the “Summary”).

35. To the best of DLA Piper’s knowledge, this Application complies with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the *United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases* (the “Guidelines”), the Guidelines for Compensation and Expense Reimbursement of Professionals for the United States Bankruptcy Court for the Northern District of Texas, Rule 2016-1 of the Local Rules and the Interim Compensation Order.

ACTUAL AND NECESSARY EXPENSES

36. DLA Piper seeks final allowance and payment pursuant to the Interim Compensation Order for reimbursement of actual and necessary expenses for the Third Interim Compensation Period in the sum of \$181,066.16 and for the Final Compensation Period in the sum of \$422,834.48. Summaries of actual and necessary expenses incurred by DLA Piper during the Third Interim and Final Compensation Periods are included in the Summary. Further, a summary of actual and necessary expenses and daily logs of expenses incurred by DLA Piper were attached as exhibits to each of the Monthly Fee Applications. In its billing discretion, DLA Piper reduced certain expenses in order to ensure that all expenses fall within a reasonable range, as further described above. Also, as noted above, expenses for the Final Compensation Period include a prepetition charge of \$6,656.23 for searches of UCC financing statements completed a day before the Petition Date. A copy of the invoice for this charge is attached hereto as Exhibit D.

SUMMARY OF SERVICES RENDERED

37. DLA Piper provided a broad range of services to the Debtors in connection with these chapter 11 cases during the Final Compensation Period. In rendering such services, DLA Piper worked with other estate professionals and all parties in interest to administer these cases as efficiently and effectively as possible.

38. The services rendered by DLA Piper during the Final Compensation Period were necessary to address a multitude of issues both unique to the Debtors' cases and typical of large corporate debtors in similar cases of this magnitude and complexity. Among other things, DLA Piper accomplished the following for the Debtors:

- (a) Negotiated and obtained Court approval of debtor in possession financing from Omega to fund the Debtors' operations during the case; reached an agreement with Omega for the use of cash collateral to fund the Debtors' operations during the case;

- (b) Negotiated continued use of cash collateral following default under the RSA;
- (c) Worked with Omega, the Committee, and other parties in interest to resolve several objections to the Plan;
- (d) Successfully recharacterized certain of the Debtor's leases as financing agreements;
- (e) Utilized Bankruptcy Rule 3019 to obtain a ruling that the Debtors were entitled to a credit for the Transfer Portfolio, thereby reducing Omega's secured claim;
- (f) Reached an agreement providing for the transition of operations to a new operator, achieving substantial cost-savings for certain of the Debtors going forward; and
- (g) Obtained a consensual confirmation of the Plan and otherwise worked with the other stakeholders and professionals in these cases to avoid litigation that would have depleted the value of the Debtors' estates.

39. Attorneys and paraprofessionals of DLA Piper have expended a total of 10,423.60 hours during the Final Compensation Period. Tables of all DLA Piper professionals and paraprofessionals who rendered services in these cases during the Third Interim and Final Compensation Periods are included in the Summary.

RELIEF REQUESTED

41. By this Application, DLA Piper seeks entry of an order, substantially in the form of the proposed order attached as Exhibit E hereto (i) approving and allowing on a final basis \$7,883,280.75 as compensation for professional services rendered and \$422,834.48 as actual and necessary expenses incurred by DLA Piper during the Final Compensation Period; (ii) approving \$2,617,359.25 as compensation for professional services rendered and \$181,066.16 as actual and necessary expenses incurred by DLA Piper during the Third Interim Compensation Period; (iii) authorizing DLA Piper to apply the Retainer to the Final Fees and Expenses that remain unpaid; (iv) authorizing and directing the Distribution Trustee to pay DLA Piper the Final Fees and Expenses, less the amount of DLA Piper's Voluntary Reductions, the amount of the Retainer, and any amounts already paid to DLA Piper during these cases; and (v) granting such other and further relief as this Court deems just and proper.

BASIS FOR RELIEF

42. Section 330 of the Bankruptcy Code governs compensation of professionals in a bankruptcy case and provides that, when determining the amount of reasonable compensation to award to a professional, the Court should consider the nature, extent, and value of the services to the bankrupt estate and all other relevant factors, including the following:

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

43. In determining the reasonableness of a professional's requested fee award, courts in the Fifth Circuit and in other districts have considered the following twelve factors articulated in *Johnson v. Georgia Highway Exp., Inc.*, 488 F.2d 714, 717 (5th Cir. 1974) (collectively, the "Johnson Factors"):

- (1) the time and labor required; (2) the novelty and difficulty of the questions; (3) the skill requisite to perform the legal service properly; (4) the preclusion of other employment by the attorney due to acceptance of the case; (5) the customary fee; (6) whether the fee is fixed or contingent; (7) time limitations imposed by the client or the circumstances; (8) the amount involved and the results obtained; (9) the experience, reputation and ability of the attorneys; (10) the "undesirability" of the

case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases.

Id. See also In re Caprock Wine Co., L.L.C., No. BKR. 09-50576-RLJ-11, 2010 WL 5376292, at *2 (Bankr. N.D. Tex. Dec. 23, 2010).

44. DLA Piper respectfully submits that the services rendered and expenses incurred during the Third Interim and Final Compensation Periods are reasonable based on the standard set forth in section 330 of the Bankruptcy Code and the Johnson Factors.

- (a) Time and labor required: DLA Piper expended 3,491.30 hours of professional time on behalf of the Debtors during the Third Interim Compensation Period and 10,423.60 hours of professional time on behalf of the Debtors during the Final Compensation Period. DLA Piper's complete time records for the Third Interim Compensation Period arranged in chronological order and by activity code category are attached as Exhibit C hereto. The exhibits and narrative descriptions described herein evidence the time and labor employed in representing the Debtors.
- (b) Novelty and difficulty of questions and matters resolved: The chapter 11 cases and the legal issues presented therein have required a high level of professional skill and expertise from professionals within DLA Piper's insolvency and other groups due to the breadth of issues that arose during these cases given the challenges made by Omega and the Committee to the Plan and the sale process.
- (c) The reputation and skill of the attorneys providing the services: As noted above, DLA Piper has drawn upon the skill of some of its most experienced attorneys in rendering its services to the Debtors during the Third Interim and Final Compensation Periods. However, DLA Piper has taken every care to provide these legal services as efficiently as possible and to avoid duplication of services. In this regard, as much as possible, day-to-day legal work, including, but not limited to, drafting of pleadings, memoranda, stipulations, agreements and correspondence has been performed by junior to mid-level associates.
- (d) Preclusion of other employment: Given DLA Piper's size, DLA Piper's representation of the Debtors has not precluded employment by other clients. These chapter 11 cases have, however, required considerable time commitments from several DLA Piper attorneys and paraprofessionals, and these professionals and paraprofessionals were precluded from employment on matters from other clients given the pace and volume of work required in this case.

- (e) Fees charged and fees awarded in similar cases: The fees sought by DLA Piper in the Third Interim and Final Compensation Periods are commensurate with fees awarded to DLA Piper in other cases and the fees charged by comparable law firms.
- (f) Time limitations: These chapter 11 cases have required DLA Piper to perform an extensive variety of services and to address a range of issues on behalf of the Debtors, often under significant time constraints. For example, according to the terms of the RSA, the Debtors had only ten days to amend and confirm the Plan following the July 9 Ruling.
- (g) Whether the fee is fixed or contingent: The fees sought by DLA Piper during the Final Compensation Period are hourly, not contingent or fixed, pursuant to the terms of its engagement with the Debtors. However, like all fees sought by professionals under sections 330 and 331 of the Bankruptcy Code, DLA Piper's fees are subject to Court approval.
- (h) The "undesirability" of the case: Representation of the Debtors in these chapter 11 cases was not undesirable, but as noted above, DLA Piper's representation of the Debtors in these chapter 11 cases has required a significant commitment of time and effort by several of DLA Piper's staff.
- (i) The Debtors' and DLA Piper's professional relationship: On September 23, 2017, the Debtors selected DLA Piper as counsel to represent them with respect to corporate governance, transactional, and other matters related to the sale of substantially all of the Debtors' assets and the filing of these chapter 11 cases.
- (j) Awards in Similar Cases: As set forth above, the Court has the ability and power to award fees and costs to DLA Piper. Bankruptcy courts around the country have awarded similar fees for the same time and quality of work performed.

45. Further, DLA Piper has assigned the work performed in these chapter 11 cases to attorneys having the experience and specialization to perform the services required efficiently and properly. The partners, counsel, and associates providing the services for which compensation is sought pursuant to this Application specialize in the fields of insolvency, litigation and corporate finance. Moreover, DLA Piper, as a general practice, seeks to use the services of paraprofessionals and legal assistants supervised by attorneys whenever appropriate in order to limit costs and more

efficiently utilize the services of attorneys. DLA Piper has followed this practice with respect to the services rendered to the Debtors wherever possible.

46. Finally, in rendering services to and on behalf of the Debtors, DLA Piper has taken every care to provide the legal services as efficiently as possible and to avoid duplication of services. In this regard, as much as possible, day-to-day legal work, including, but not limited to, drafting of pleadings, memoranda, stipulations, agreements and correspondence has been performed by junior to mid-level associates.

47. With respect to the DLA Piper's request for reimbursement of expenses, section 330(a)(1)(B) of the Bankruptcy Code provides for reimbursement to approved professionals for all "actual, necessary expenses." 11 U.S.C. § 330(a)(1)(B). DLA Piper submits that the expenses incurred in these chapter 11 cases were all necessary in the rendition of services for the Debtors.
